**FIREWORKS TO RETURN TO MARINA BAY TO USHER IN THE NEW YEAR,
FIRST TIME SINCE THE PANDEMIC**

Singapore, 19 September 2022 – This year-end, crowd-favourite fireworks will return to illuminate the Marina Bay skyline as part of Singapore’s biggest countdown event, **Marina Bay Singapore Countdown 2023**. With an exciting lineup of activities, this year’s Countdown will bring back an immersive and fun-filled experience for revelers, as Singapore ushers in a new year with renewed hope and exuberance.

Presented by the Urban Redevelopment Authority (URA), **Marina Bay Singapore Countdown 2023** will bring back the highly anticipated fireworks display after a two-year absence due to safety measures necessitated by the COVID-19 pandemic. Come 31 December, members of the public will be able to view the fireworks at midnight from around the Bay to welcome the new year.

Lineup of other exciting programmes

STAR ISLAND, the multi-sensory fireworks musical extravaganza, will also be returning to The Float at Marina Bay. Replete with artisanal fireworks, dazzling performances, pyrotechnics and state-of-the-art technologies, the ticketed show promises a thrilling and memorable experience for spectators. For the first time, the **STAR ISLAND** experience will also extend to the Marina Bay Sands Event Plaza with a special pre-show activation. More programme and ticketing details will be announced on www.starisland.sg soon.

In partnership with the National Volunteer & Philanthropy Centre (NVPC) and Giving.sg, **Marina Bay Singapore Countdown 2023** will present **Share the Moment** – a series of light projection shows on the facades of The Fullerton Hotel Singapore and the Merlion in the last week of December. With the theme “City of Good”, **Share the Moment** will feature never-before-seen original artworks by students from local educational institutions, which celebrate acts of giving both big and small, and depict a vision of Singapore where individuals, organisations and leaders come together to give their best for others.

At the Bayfront Event Space, The Show Master, a premium entertainment arm by Uncle Ringo, will present **The Great Bay Fiesta** from 1 December, comprising three highlights. The entertainment show, *The Great Cirque des Cascades*, will showcase brand-new circus stunts for thrill-seekers, while *The Great World Carnival* will feature rides and games which pay homage to the historic Great World Amusement Park and offer visitors a glimpse into Singapore's leisure and entertainment scene in the 1920s to 1970s. In addition, *The Great Food Fiesta* will feature over 30 food stalls with unique and exclusive offerings.

Visitors can also swing by **After Hours @ The Lawn**, a lifestyle hub featuring larger-than-life games and playsets, F&B booths, entertainment offerings and a chill-out zone with a perfect view of the fireworks. Over at The Promontory, music lovers and fans of popular artistes can soak in the festive mood at Mediacorp's **Let's Celebrate 2023** countdown concert. Esplanade – Theatres on the Bay will present free performances at the Esplanade Outdoor Theatre and Concourse for all to enjoy.
